

Förderkreis Birma e.V.

Welfare Organisation for the Promotion of Development Aid in Burma Information leaflet

The charitable association Förderkreis Birma e.V. supports people worthy of sponsorship regardless of their ethnic affiliation or religion as well as welfare organisations and private initiatives in Burma (Union of Myanmar).

The objectives of our society are carried out in accordance with its statutes through well-directed self-help measures and are specifically realized through the promotion of talented pupils and students living under poor conditions, sustainable employment opportunities and the support of orphanages, schools and hospitals.

The organisation was registered by the District Court in Aachen on 30th November 2007, judicial registration sheet VR 4473.
